

Please provide the following information and submit it to [T3@tea.state.tx.us](mailto:T3@tea.state.tx.us). One report per collaborative is required with the deadline of November 1, 2010. This information will be completed by the program manager working with the external evaluator. Your completed data will be compiled into a report by the Texas Education Agency (TEA) and sent directly to the United States Department of Education (USDOE).

This report is mandatory and must be completed timely and completely. There will be no exceptions.

Please briefly describe the purpose of your grant program and who will benefit from this grant:

Please provide the total number of districts, schools, classrooms, teachers, and students involved in the activity (i.e., either participate directly or are expected to benefit.)

Districts	Schools	Classrooms	Teachers	Students

Please list all partners and/or vendors who received payment to provide grant services or activities.

Is your grant program leveraged by local or state funding? If so, please provide the type of funding and amounts:

Please list your per pupil expenditures from the following funding sources for T3 grant activities:

State

Federal

Local

As a requirement to receive Target Tech in Texas (T3) grant funding, applicants agreed to comply with any reporting and evaluation requirements that the Texas Education Agency (TEA) established and agreed to submit the reports in the format and time requested by TEA. The applicant agreed to collect data and report on the following mandatory performance measures:

1. Percentage of students whose technology access in the classroom was increased as a result of grant funds.

2. Number of campuses performing at the Target Tech level in Teaching and Learning of the Texas Campus STaR Chart.

3. Number of campuses performing at the Target Tech level in Educator Preparation Development of the Texas Campus STaR Chart.

4. Number of campuses performing at the Target Tech level in Leadership, Administration, and Instructional Support of the Texas Campus STaR Chart.

5. Number of campuses performing at the Target Tech level in Infrastructure for Technology of the Texas Campus STaR Chart.

6. Number of campuses that improved their STaR Chart levels as a result of grant funding.

7. Number of district technology personnel, including both technical and pedagogical support (new staff or positions that could have been saved due to ARRA funds).

8. Percentage of students who have mastered grade-appropriate technical application TEKS (STaR Chart TL5).

9. Improved student performance as measured by grade-appropriate assessment (e.g., TPRI, TAKS, etc.). Please only include results of students who benefitted from the Target Tech in Texas (T3) Collaborative Grant ARRA funding.

Method	Grade Level/Subject Area	2008-2009 Results (passing percentage)	2009-2010 Results (passing percentage)
